- Mr. Popper's Penguins by Richard Atwater
- Dinosaur Bones by Alike
- Balto and The Great Race by Elizabeth Kimmel
- Henry Huggins by Beverly Cleary

Please complete the "Cook Up A Story" Report (Template Attached)

\*Students, please read as many books as you can. Keep a reading log so that you can take AR tests when you return for points towards your goal. Remember to set aside time for reading each day and be prepared to share your book reports the first full week of school.

**Math:** Please have your child work on multiplication facts daily. It is imperative for them to be confident in this skill, in order to grasp the concepts taught and succeed in fourth grade.

I hope that you have a fun-filled and relaxing summer and I am looking forward to a great 4th grade year with you.
