

One-Pager Directions

A one-pager is a way to visually share key ideas and information from what you have learned. When you create a one-pager, you are trying to use both visual symbols and important words to clearly and concisely share your most important takeaways with someone else.

For this one-pager, I've provided you with a template.

Here's what it **MUST INCLUDE**:

1. A border that represents the key characters from the reading through words and/or images
2. A short quotation from the text that explains the theme of the novel
3. An image or set of images that represent an important symbol in the novel
4. Images and short words or phrases that represent the key themes of the work
5. Show images and words that connect the text to other texts, movies, history, or modern day life. Include at least three quotations here.

You may include other symbols, drawings, and words that represent the text.

Your finished piece must be in color with everything in ink – no pencil should be showing.

This project will be graded using the attached rubric.
